Dear Joe:

Enclosed is a check for the balance (\$1,571) of the contract. I appreciate your time and attention to my home during what must be a very busy time for your company. I am very please with the work done, the extra care taken and the workmanship of your employees. It looks beautiful. I will call you in June to talk about windows, etc. I am so very glad Ray Knoll recommended your company to me.

Thank you for making our association an effortless process.

Kindest regard,

Christie B.
